

EDUCATIONAL/YOUTH GROUP FIELD TRIP How to Make Your Reservation

Thank you for your interest in visiting the Phoenix Zoo with your group!

Summer Hours: June 1 – September 30, 2009

Monday through Friday 7:00 a.m. to 2:00 p.m.

Saturdays and Sundays: 7:00 a.m. to 4:00 p.m.

July 4th and Labor Day: 7:00 a.m. – 4:00 p.m.

Admission Prices (June 1 through August 31 only):

Adults: \$16.00

Children: \$ Free

Admission Prices (September 1 through September 30):

We offer all youth-oriented groups an educational rate of \$4.00 per person (including both children and adults) for admission to the Zoo with a minimum of 15 people. If you qualify as a ZooReach** school you are eligible for the \$2.00 rate per person. ** ZooReach schools are K-12 Title One Schools that have at least 50% of their entire enrollment in a free or reduced lunch program as listed by the Arizona Department of Education Health and Nutrition Services.

To receive the discounted rate, all students, regardless of age, must be supervised at all times with a required chaperone/student ratio of 1 to 10.

On the next page is the Educational/Youth Group Field Trip Reservation Form. Please keep a copy of this form for your files. When you are ready to schedule a field trip to the Zoo, simply complete the form and fax it into our office at 602.914.4328, or mail to the address at the bottom of this page. There is no need to check for availability, as the Zoo does not "sell out" for educational visits. You are welcome to visit on any day of the year (with the one exception of December 25th when the Zoo is closed).

If you are interested in any of the additional programs, such as Animal Presentations, Puppet Shows, or Special Needs Programs, other arrangements are required. Please call us at 602.914.4333 for more information, or complete the bottom portion of the form to reserve a program. Note their availability as listed on the Reservation Form.

We will fax you back a confirmation letter along with an Admission Check List and other details. The Admission Check List is your "ticket" into the Zoo at your special rate and must be presented at the admissions gate when entering.

If you do not receive this form with 48 hours of your fax, please call us at 602.914.4333. Please allow 10 days for mailed forms.

On the day of your visit, please have **one** representative from your group present the Admission Check List with exact attendance numbers and payment at the front gate. Name tags with the child's name and the name of the school/organization are recommended. **Cell phones**, when available, are important communication tools and can assist Zoo staff in prompt resolution of most situations.

Again, thank you for your interest in the Phoenix Zoo and enjoy your visit!

Educational/Youth Group Field Trip Programs

Want to make your group visit even more memorable? Try one of our special programs!

CAROUSEL RIDE – Come take a spin on one of our new attraction!

On the Endangered Species Carousel you will find a fun array of 33 hand-carved animals representing rare and endangered species from around the world. These magical, playful animals are sure to bring out the inner child in everyone. ADA sea shell seating available. Each ride lasts about 5 minutes with 10 minutes for loading and unloading. Rides on a first come, first served basis. \$1.50 per person for groups of 15 or more. Children age 2 and under must be accompanied by a standing adult at no additional charge.

SAFARI TRAIN – Ride your way around the Zoo!

Hop aboard the Safari Train for a fun, narrated tour meandering past most of our major attractions. Tours depart every 20-30 minutes from the Safari Train Station between the Giraffe and Zebra exhibits. A maximum of 45 passengers may ride each tour. Several trains are wheelchair accessible. The fare is \$1.50 per passenger for groups of 15 or more. Tickets can be purchased at the main train station. Train rides are available on a first come, first served basis.

GUIDED TOURS – See the Zoo with new eyes!

Zoo Staff will take your students on a 45-minute interactive hike through part of the park. Through quick games, stories, and questioning, your students will not only be introduced to standards concepts but they will gain an understanding of how to observe and appreciate the animals at the Zoo. Descriptions for available themes are listed below. Price is \$25 in addition to admission, for up to 35 people (children and adults). Schedule more than one tour for larger groups. Please make your reservation at least *two weeks* prior to your visitation date as space is limited.

Animal Classification (recommended for grades K-2)

During this guided tour, Zoo Staff will guide your students through a section of our Arizona Trail where they will explore the characteristics that are used to divide animals into categories. In addition to the exhibit animals, docents will also use hands-on props. This tour also helps students learn to explore their surroundings with multiple senses and guides the students to actively view the animals on exhibit.

Exploring Arizona (recommended for grades 1 – 7)

Students will explore several Arizona habitats on the Zoo's Arizona Trail by comparing and contrasting the habitats and the animals that live in them. Zoo Staff will guide discussions covering how various Arizona animals have adapted to their specialized desert habitats and the role that each animal play in its environment. Along the way, students will discover and investigate signs left behind by the wildlife of Arizona.

Exploring the Rainforest 1 (recommended for grades K-4)

Learning the layers of a rainforest and the types of animals that live in each is the focus of this tour. Zoo Staff will use interactive activities to teach students about the different layers in rainforests and which animals may live in each as well as interpreting exhibit animals and sharing stories about them. This tour also helps students learn observations skills, to explore their surroundings with multiple senses and guides the students to actively view the animal on exhibit.

Exploring the Rainforest 2 (recommended for grades 5-12)

Seeing the rainforest from multiple perspectives is the focus of this tour. Students will take on the role of an animal or person as they are guided through part of our Tropics Trail and the Forest of Uco. Zoo Staff will guide discussion covering how various Rainforest animals have adapted to their habitats and the role that each plays in its environment. Along the way students will collect information to determine how the rainforest is important to various stakeholders and investigate several scientific tools used to study the rainforest.

Conservation Programs of the Phoenix Zoo (recommended for grades 8-12 and adults)

The Phoenix Zoo is very focused on keeping native species living in wild habitats in the Southwest and works actively with AZ Game and Fish, US Fish and Wildlife and other non-government organizations to help in conserving local species. Zoo Staff will lead your group through the Arizona Trail providing updates on what projects we're currently working on, the progress that is being made and the methods and technologies being developed to help species in peril.

ANIMAL DISCOVERIES - Excite and educate your group with some of our favorite animals!

A 30-minute presentation designed to make a school's field trip more valuable. One of the Zoo's Program Specialists will present animals and be available for a question and answer session. Program themes include: Animal Kingdom, Creepy Crawlies, Desert Connections, Predator Prey and Endangered Species. Price is \$75 in addition to admission to the Zoo. Please limit size of group to no more than 75 people per half hour. Schedule more than one presentation for a larger group. Please make your reservation at least *three weeks* prior to your visitation date as space is limited.

WILD WORKSHOPS – Experience the natural world, in-depth!

If you're looking for a more in-depth experience, then Wild Workshops are the way to go. During these 60 minute programs, Zoo Staff will use hands-on activities, inquiry, and live animal interactions to help your students explore a topic in depth. Available themes are listed below. Price is \$100 in addition to admission, for up to 35 people (children and adults). Schedule more than one workshop for larger groups. Please make your reservation at least *three weeks* prior to your visitation date as space is limited.

Exploring Deserts (Recommended for grades 1 – 8)

In this workshop students will use activities and discussion to investigate how animals have adapted to survive in the harsh environment of the desert. They will also explore how a desert compares to other habitats and the important roles each animal plays in its desert environment. Students will also have the opportunity to see some desert animals up-close in the classroom.

All About Adaptations (Recommended for grades 1-8)

This workshop helps students explore the reasons that adaptations are so important for animal survival. Older students will explore such concepts as competition, limited resources and ecological niches. Students will also have the opportunity to see some animals up-close in the classroom.

Introduction to Endangered Species (Recommended for grades 3-8)

This workshop serves to introduce students to the complications species face (human and natural) and how those factors affect their ability to survive. Students will also explore why species are important to the survival of their ecosystems. The workshop finishes with a discussion of simple solutions to empower the students. Students will also have the opportunity to see animals up-close in the classroom.

What Do They Do at the Zoo? – Exploring Zoo Careers (recommended for grades 7 – 12)

During this hour-long workshop, students will explore science-based zoo careers and use critical thinking skills to solve problems. Each workshop includes a behind the scenes tour of one of our Zoo facilities as well as hands-on experience with one of the zoo's programs animals. This workshop can be customized to meet your group's specific needs! \$150.00
