About the Program: This program is a "touching" experience for children and adults who are mentally, emotionally, or physically challenged, or have a learning or speech disability. Choose from "Animal Families" or "Desert Animals" presentations hosted by Zoo Volunteers trained to teach students with a sensorimotor approach. School groups have first choice of dates. Adult groups may call 602.914.4333 for a limited number of available openings. Admission to the Zoo is \$3.00.

Animal Families is written for preschool and elementary children, or lower function students (i.e. profoundly retarded). This should be the first program attended.

Desert Animals is written for elementary students, or higher functioning students. Desert Animals is can be adapted for any age group.

Programs are offered Mondays, October - April by reservation only. (2 weeks notice needed)
