

WHEN IN ROME A New Tour of The United States and South America 2008

WHEN IN ROME with Over **1.8 million records sold**. WHEN IN ROME'S "The Promise" is known World wide as a Certified Hit. In both top 40 and AC charts around the world. **WHEN IN ROME** invades America in 2008 And are Ready to play your venue..

Remember the closing scene from **Napoleon Dynamite**, the film voted Best Picture at the 2005 MTV movie awards? As Napoleon finds some sort of resolution in his offbeat, own private Idaho, 80s-throwback lifestyle, a haunting synth chord from that electro-decade surges to the soundtrack's surface and a classic piano phrase takes us into the end credits. The song is When In Rome's "The Promise", the signature tune for the movie and with over 1.8 Million units sold world wide and is still getting regular airplay across the country in 57 major markets 18 years after hitting Billboards Top Ten. "The Promise" was also number #1 on Billboards Hot 100 Dance Chart for 7 weeks as well. THE PROMISE is a certified Gold Record Hit.

Two more hits reached the top 100 as well, "Heaven Knows" and "Childs Play", all three hits released on their debut CD on Virgin records 1987-88
