ORANGUTAN ETHOGRAM

Directions: *Choose an orangutan in the video to observe for 4 minutes. Every 15 seconds, record what the orangutan is doing by putting an X in the column that describes their behavior.*

Resting: Sitting or lying down with eyes still open, somewhat attentive
Vocalizing: Displaying any audible noise
Playing: With B.E., another orangutan, or exerting energy throughout exhibit
Self-Grooming: Scratching, licking, investigating
Sleeping: Lying down with eyes closed
Foraging: Searching exhibit for valued items like food
Eating: Actively consuming food
Drinking: Actively consuming water
Not Visible: Orangutan out of sight during recording time
