EDUCATION PROGRAM FOR STUDENTS WITH SPECIAL NEEDS BOOKING FORM

Please complete all information and return via e-mail to reservations@phoenixzoo.org

About the Program: Our program is developed specifically for students with special needs. Live animals, photographs, skull models, pelts, animal figures, and more are used to engage students and demonstrate concepts. Our program utilizes a sensory motor approach – students move between stations and are encouraged to touch, smell, and feel all appropriate items. This program can be geared towards students of all ages and functioning levels. The animal families discussed are insects, amphibians, reptiles, birds, and mammals. The “Animal Families” program is presented by Zoo Volunteers. School groups have the first choice of dates. Admission to the Zoo is \$6.00.

Circle Date Requesting (plus an alternate date)
