Throw your support for the Phoenix Zoo into overdrive!

Wildlights for Wildlife is a charity drive – literally!

Offering an exclusive drive-thru preview of ZooLights, guests will journey through the jungle in a unique experience of sights and sounds. All proceeds help care for the 3,000 animals that call the Zoo home and fund our local and international wildlife conservation initiatives. This includes working directly with threatened and endangered species and providing exceptional STEM-based educational programs that emphasize the importance of caring for wildlife and wild spaces.

Timed-entry reservations are limited and available on a first-come, first-served basis. Must be reserved/purchased in advance.
