DAYS 3/4/5~SUNDAY/MONDAY/TUESDAY~ FEBRUARY 11/12/13

TARANGIRE NATIONAL PARK

Begin your adventure today as you drive to Tarangire National Park, the third-largest national park in Tanzania. It is the vast number of baobab trees that first capture the eye as you enter Tarangire. The gently rolling countryside is dotted with these majestic trees, which seem to dwarf the animals that feed beneath them. Tarangire is spectacular in the dry season when many of the migratory wildlife species come back to the permanent waters of the Tarangire River. Huge herds of wildebeest, zebra, elephant, eland, and oryx gather to stay in Tarangire until the onset of the rains when they migrate again to good grazing areas. Over 300 bird species have been recorded in Tarangire. Endemic bird species include Ashy Starling, Yellow-collared Lovebird, and the Rufous-tailed Weaver. Other species include Yellow-breasted Apalis, Slender-tailed Nightjar, Lilac-breasted Roller, Black-faced Sandgrouse, Coqui Francolin, Magpie Shrike, and the Red and Yellow Barbet.

Your accommodation for the next three nights is a permanent safari camp built close to the shores of Lake Manyara in a wildlife-rich area with impressive views of the Rift Valley and Ngorongoro Highlands and is a 25,000-hectares concession area set aside for conservation by the local Maasai Community. The 38 spacious tents and the six family tents as well as the public areas of the camp are built on raised decks and have en suite bathrooms with built-in showers and mosquito netting and private verandahs overlooking the valley and Lake Manyara. There is a lovely swimming pool with beautiful views located at the end of the main decking area attached to the bar and dining area, overlooking the plains. Enjoy delicious indoor or outdoor dining at the camp's restaurant, accompanied by lovely wilderness views.

DAY 6~ WEDNESDAY ~ FEBRUARY 14

LAKE MANYARA NATIONAL PARK/NGORONGORO CONSERVATION AREA

Your morning drive takes you to Lake Manyara National Park, an ornithological paradise with over 350 species of birds. You may see Verreaux's Eagle, a variety of vultures, storks, swifts, and swallows winging their way atop the spectacular cliffs overlooking the lake, which often has a pinkish hue due to the flamingos shimmering in the distance. Lake Manyara, at 3,150 feet in altitude, varies in salinity levels with wetter and drier climate cycles, and at times it is replete with flamingos, pelicans, storks, and cormorants. Springs in the park's northern end support a dense groundwater forest of magnificent giant fig and mahogany trees, which shelter blue and vervet monkeys and an abundance of baboon, bushbuck, waterbuck, and elephant. South of the groundwater forest, acacia woodland and open grassland are frequented by buffalo, wildebeest, impala, giraffe, zebra, and the elusive tree-climbing lion, the signature species of this park. Perhaps the most recognizable tree found here is the baobab tree, which folklore says was uprooted and planted upside down. The hippo pool, where visitors may get out of their vehicles, is located on a freshwater stream that enters the lake at its northern tip.

As if in a land before time, the Ngorongoro Serena Safari Lodge is built into the rim of the crater. The plant and ivy-covered native stone blends masterfully with its surroundings and the flowering plants attract a plethora of colorful birds. Most of the 75 rooms have private terraces with views of the crater floor where countless animals make their home. At the Ngorongoro Serena Lodge visitors co-exist in perfect harmony with the natural environment and the wildlife that inhabits it.

Overnight at NGORONGORO SERENA LODGE. (B,L,D)

DAY 7~ THURSDAY ~ FEBRUARY 15

NGORONGORO CRATER

Today, enjoy the opportunity to visit the Ngorongoro Crater, a World Heritage site, an extinct volcano and the largest unbroken caldera in the world. The cone is believed to have collapsed nearly two million years ago, and while the cone was standing, it could have been as tall, if not taller, than Mount Kilimanjaro. The crater (1,800 feet deep and 102 square miles) is a microcosm of East African scenery with abundant wildlife – more than 25,000 larger animals, mostly zebra and wildebeest. This is also the best place in Tanzania to see magnificent black-maned lions.

This area offers an outstanding opportunity to see black rhinos, as they are protected around the clock. Over the years, the floor of this crater has become mostly savannah (grassland), with a soda lake whose size changes depending on the rains that are the lifeline of this amazing land. On this lake, marvel at the colorful flamingos and a variety of other water birds – more than 100 species of birds are found here that are not found in the nearby Serengeti. The resident ostrich, Crowned Crane, and Kori Bustard are joined seasonally by migrant flocks of White and Abdim's Storks. Patience may also reward you with glimpses of leopard, cheetah, hyena, jackal, elephant, warthog, impala, buffalo, hartebeest, eland and many other antelopes.

As you descend down the floor of the crater you might be able to see the local Maasai as they take their cattle down the steep walls of the crater. It is their right, negotiated with the government and parks authority, to graze their cattle in about 75% of the crater floor. The mix of cattle with the wild animals makes for some terrific photographs, and the interaction between domestic and wild animals is almost non-existent. Your wildlife viewing will be dramatic, and the experience memorable. Return to the rim of the crater six hours later (regulations now specify that no one can stay longer than six hours daily on the crater floor) and drive to your lodge. In one of the afternoons, you may opt to visit a Maasai village and learn about this fascinating culture that has existed through the millennia in perfect harmony with nature. Overnights at NGORONGORO SERENA LODGE. (B,L,D)

DAYS 8/9~FRIDAY/SATURDAY~ FEBRUARY 16/17

OLDUPAI GORGE/SERENGETI NATIONAL PARK~ LAKE MASEK CAMP

Your bumpy but scenic road takes you to Oldupai Gorge, where in 1959 Louis and Mary Leakey uncovered *Zinjanthropus* and *Homo habilis*. Oldupai is one of the world's most important paleoanthropological locations. Thousands of stone tools, some of which have been used by *Homo habilis*, have been found at Oldupai; the oldest style is easiest to remember, because it is called Olduwon. In addition to the remarkable human fossils, prehistoric elephant, giant horned sheep and enormous ostrich fossils have been found here while extinct species unearthed include three-toed horses and giant antelope. Since the Leakeys first began searching the area for clues to our distant past, more than sixty hominid remains have been excavated, belonging to four different hominids, showing the gradual increase in brain size and in the complexity of their stone tools. The gorge itself is a very steep-sided ravine roughly 30 miles long and 295 feet deep. It resembles a small Grand Canyon with exposed strata of different layers where the deposits of rich fossil fauna, hominid remains, and stone tools were found. The gray lines are volcanic tuffs; eruptions are used to estimate the age of the fossils.

Continue with your safari adventure as you drive to Tanzania's most famous wildlife reserve, the Serengeti National Park (3,646,500 acres), the jewel in the crown of Tanzania's protected areas with over three million large mammals roaming its plains. It lies between Ngorongoro and Lake Victoria and adjoins Kenya's Maasai Mara. The Serengeti has come to symbolize paradise to all, including the local Maasai, who have grazed their cattle on the vast grassy plains for generations. To the Maasai, it is Siringitu - "the place where the land moves on forever." Today, the Serengeti National Park, the Ngorongoro Conservation Area, and the Maasai Mara Reserve across the border in Kenya, protect the greatest and most varied collection of terrestrial wildlife on earth, and one of the last great migratory systems still intact.

More than a million wildebeest, accompanied by hundreds of thousands of zebras and other herbivores, descend upon the short-grass plains of the southeastern Serengeti at the start of the rainy season around December. After calving in January and February, they scatter over the southern and central plains. By May the rain ends, the grass has been reduced to stubble, and the animals begin their long march to dry-season grazing grounds near the permanent waters of the Serengeti's northern woodlands and Kenya's Maasai Mara. Reaching these destinations by July or so, they remain until October, when they head back to the southeastern Serengeti. This struggle for survival continues unaided and unaltered through the millennia! You will be in the southern sector of the Serengeti, where the wildebeest are massing, calving and giving birth to their young. A wonderful opportunity to see the cycle of life with many predators present.

Nestled along the shores of Lake Masek in Ndutu, situated between the vast plains of the Serengeti National Park and the northwest side of the Ngorongoro Conservation area, lies your oasis. Expect exclusivity and luxury and a front row seat in this unique setting for the wildebeest migration from December to April each year. The rest of the year does not disappoint with resident Big Five game. Enjoy wildlife viewing in daily drives, Maasai guided walks and even night game drives. Each of the cozy 20 tents are on raised platforms and offer en-suite facilities along with deep rich wooden four-poster beds framed by canvas sides with large "windows". The camp is eco-friendly as all power is supplied by solar electricity and water is harvested during the rainy season and collected for use. All products used are biodegraded to ensure that the environment is kept pristine. Overnights at the LAKE MASEK CAMP. (B,L,D Daily)

SERENGETI NATIONAL PARK~ OLE SERAI MORU KOPJES LUXURY CAMP

Continue your visit of Serengeti National Park today as you travel to your next accommodation located in the Moru Kopjes area of the central Serengeti. You will enjoy a wildlife drive en route.

The central Serengeti is incredible to visit any time of the year. Look up at the towering yellow fever trees for napping leopard and to the River at its hippo pools. Search for predators such as lion, leopard and cheetah, and their prey – giraffe, topi, Bohor reedbeek, Defassa waterbuck, buffalo, wildebeest and impala. The kopjes (prehistoric rock outcroppings) host hyraxes, dwarf mongoose, and red-headed agamas, while patience might reward you with a sleepy black-maned male lion or leopard. The open grassland is home to large groups of Thomson's and Grant's gazelles, spotted hyena, jackal, and such birds as the Double-banded Courser, Yellow-throated Sandgrouse, Red-capped Lark, Fischer's Sparrow-lark, and Capped Wheatear. Your twice-daily wildlife drives will allow ample viewing.

Your accommodation, Ole Serai Moru Kopjes Camp is located within Central Serengeti area of the famous Serengeti National Park, around the vicinity of the Moru Kopjes and Lake Magadi. OPTIONAL POST-EXTENSION TO ZANZIBAR

DAY 12~TUESDAY~ FEBRUARY 20 SERENGETI/ARUSHA/ZANZIBAR

Last chance to photograph that awesome sunrise before you board your flight to Zanzibar, via Arusha. Zanzibar is the best kept secret in the Indian Ocean, with its fascinating history and magnificent beaches. The Assyrians, Sumerians, Egyptians, Phoenicians, Indians, Chinese, Persians, Portuguese, Omani Arabs, Dutch and English have all been here at one time or another. Some, particularly the Shirazi Persians and Omani Arabs, stayed to settle and rule. With this influence, Zanzibar has become predominantly Islamic, with the remaining population made up of Christians, Hindus and Sikhs. The earliest visitors to Zanzibar were Arab traders who are said to have arrived in the 8th century. For centuries they sailed with the Monsoon winds from Oman to trade primarily in ivory, slaves and spices.

The earliest building that remains on Zanzibar is the mosque at Kizimkazi which dates from 1107, and is a present-day tourist attraction. Zanzibar has two main islands, Unguja (normally known as Zanzibar Island) and Pemba. Stone Town, located on Zanzibar Island, is the old city and cultural heart of Zanzibar, where little has changed in the last 200 years. It is a place of winding alleys, bustling bazaars, mosques and grand Arab houses whose original owners vied with each other over the extravagance of their dwellings. This one-upmanship is particularly reflected in the brass-

studded, carved, wooden doors – there are more than 500 different examples of this handiwork. Stone Town was recently and deservedly declared a World Heritage Site by UNESCO.

Begin to experience Zanzibar's fascinating history and vibrant culture with a tour of the fabled Stone Town. Visit the House of Wonders, the Palace Museum (People's Palace), Dr. Livingstone's House, the Arab Fort, and the National Museum of Zanzibar, which houses relics from the times of the Sultans and early explorers. See Zanzibar's bustling market, winding alleyways, ornately carved and studded doors, two cathedrals, and countless mosques. Visit the Anglican Church, built in 1874 on the site of the old slave market, and see the chambers beneath it where slaves were held before they were sold. You will see the site of Sultan Barghash's harem at Marahubi, with its colorful history. Stone Town also has many excellent gift shops with plenty of souvenirs and handicrafts to choose from.

Your home for the next two nights Zanzibar Serena Inn has joined the ranks of the world's finest resorts as a member of Small Luxury Hotels of the World. This stunning property is set in two historic seafront buildings that have been masterfully restored to their previous grandeur when Zanzibar was a crossroads visited by travelers and merchants from all corners of the globe. Interiors echo Zanzibar's rich Arabic influence – or ustaarabu – as well as the island's indigenous East African roots. The rooms are elegant and romantic, each overlooking the azure waters of the Indian Ocean. There is a restaurant and bar as well as an outdoor swimming pool with a poolside café, bar, and shop. An extensive selection of recreation and watersport activities are available to guests. Overnight at the ZANZIBAR SERENA INN (in standard rooms). (B, Packed L)

DAY 13~WEDNESDAY~FEBRUARY 21 ZANZIBAR~ SPICE TOUR & JOZANI FOREST

The history of Zanzibar would be incomplete without the cloves, nutmeg, cinnamon, pepper, and many other spices which brought the Sultans of Oman and the beginnings of the infamous slave trade. This morning, you will visit a plantation and have your senses dazzled with fresh spices. A detailed description will be given of these spices and their uses in cooking and cosmetics. You will be fascinated by the sheer number of spices produced and their incredible value for many ailments. This is an excellent opportunity to purchase spices

and spice oils at the best prices.

Drive to the Jozani Natural Forest Reserve, located in the central east region of Zanzibar Island and home to the rare red colobus monkey, endemic to Zanzibar (so named for a red spot on its head). These habituated monkeys are full of character and, although completely free, tend to feed just outside the

reserve's perimeter. They are extraordinarily photogenic as they leap from tree to tree just above you. Jozani is home to other species including Syke's monkeys, small bucks, and bushpigs. The elusive Zanzibar leopard, last sighted several years ago, is said to feed here at night. (Perhaps this is why the reserve is only open during the day?) Jozani has an excellent nature trail, and the guides are well-trained and informative.

Overnight at the ZANZIBAR SERENA INN. (B,L)

DAYS 14/15~ THURSDAY/FRIDAY~ FEBRUARY 22/23
ZANZIBAR~ MARIJANI BEACH RESORT & SPA

OPTIONAL BALLOON SAFARI OPTIONS IN TANZANIA

Experience an exhilarating balloon safari for the most incredible way of viewing wildlife. It begins in the early morning after you observe the inflating of the balloon, and you have an hour of uninterrupted views of wildlife from the air – the best way to see the incessant movement of animals and the fabulous vistas of Tanzania. During the flight, you will ascend to a high altitude to take in an amazing panoramic view and then descend to treetop level and silently glide above the wildlife below. Upon landing, enjoy a “bubbly” brunch, set especially for you in the middle of the plains. Zebra and elephants may be your dining guests, and Africa’s colorful birds may vie for a crumb of your bread. You then meet with your driver/guide and continue your safari. Many consider this one of the most memorable experiences of their safari.

Gliding across **Tarangire National Park** as the sunrise stains the plains with hues of orange and pink, you see beautiful savannah dotted with giant baobab trees, while the Tarangire River looks like a silver ribbon, filled with many of the animals that come to relieve their thirst in the early morning. Look for incredible herds of elephants, dazzles of zebra in the early sun, giraffes, and much more, as well as some of the 500 species of birds that Tarangire is famous for.

Flying high up in the skies of the **Serengeti National Park**, you view an endless magical array of savannahs, rivers, forests, and escarpments. At certain times of the year, you may see some of the great migration, and there’s nothing like this unparalleled phenomenon of migrating herds of zebra, wildebeest, and gazelle to view from the air. Jan-Mar, the animals are massed in Southern Serengeti; Apr-Jun, they’re on the move in Central Serengeti and going North, Jul-Oct they’re in the Maasai Mara. But whether the migration is in the Serengeti or not, watching predators such as lions and cheetahs hunting their prey, and looking for all the marvels of the bush, is exciting and never gets old!

We suggest booking in advance to avoid disappointment. At present, the costs are as follows:

- **Serengeti** with collection from your lodge – Lake Masek Tented Camp: \$580 per person.
- **Tarangire** with collection from park gate – Maramboi Lodge: \$550 per adult (including children 12 and over).
- **These prices are as of May 25, 2023, and are subject to change**

THINGS YOU NEED TO KNOW ABOUT TANZANIA

Participants:

- Must be able to climb in and out of, as well as move around in confined quarters within safari 4 x 4 vehicles, mini-buses, and small aircraft unassisted. People need to be willing to rotate seats.
- Must be able to tolerate riding on uncomfortably uneven, bumpy roads (some with many potholes) for long periods of time (6-9 hours maximum), as well as some off-road experiences when opportunities allow.
- Must be able to stand and/or walk moderate distances when visiting villages, towns, or other sites. Walking will be on uneven ground or uphill, often at altitudes that many people are not used to.
- Should generally be in good health and prepared to travel in locations without medical facilities.

In general, this trip requires:

- Flexibility and good humor – unexpected changes and/or glitches will occur
- A spirit of adventure and curiosity
- Interest in and willingness to appreciate a destination with a modest infrastructure and a bending definition of comfort. That being said, some locations are nestled in absolute luxury where pampering is the norm.

BRING-A-BOOK FOUNDATION

Your safari may include a visit to a local school. We encourage you to bring colorful books and magazines, as well as school supplies such as pens, paper, crayons, soccer balls, etc., which you can present to the children during your visit. Many of these children have never owned a book in their life and the connection you will make with them is invaluable. You will find that children in the schools are eager to meet with visitors, practice their English, learn about your culture, and proudly share their own. You are often welcomed with a local song or dance.

After seeing schools firsthand, meeting the dedicated teachers working under the most difficult conditions, and children hungry for knowledge, many travelers have wanted to help the schools they visited or continue to support a child's learning opportunities after they return to their homes. Bring-A-Book is an innovative effort adopted by Classic Escapes to expand education opportunities for school children. The Bring-A-Book Foundation is a registered Kenyan Charitable Trust that was created as a way to facilitate travelers' wishes to help the schools and is used to get books into the hands of children as quickly and economically as possible. With compassionate ground operators such as Rangers Safaris, Wilderness Safaris, and &Beyond, Classic Escapes has expanded the reach of BAB to Tanzania, South Africa, and Zambia, and to other countries, our travelers visit around the world. Information will be given to you with your final documents, but if you wish to help further, feel free to call Classic Escapes at 800-627-1244 for details.

CLASSIC ESCAPES CONSERVATION FUND

In keeping with our mission to provide exciting, educational, and fun-filled experiences that nurture and directly support the diverse wildlife and cultures we visit around the world, Classic Escapes has established the Classic Escapes Conservation Fund to ensure that a percentage of all profits go to support conservation and wildlife researchers performing their critical work in the field. Project support has included wild dogs, elephants, rhinos, and cheetahs, conservation in Botswana, Kenya, Tanzania, and Namibia, penguins in Punta San Juan Peru, tiger preservation in India, and sponsoring school children in Kenya, among many other projects around the world. By traveling with Classic Escapes, you are supporting travel as a tool for building the mutual respect, awareness, and understanding that are vital to preserving this planet for future generations.

The extension returns from Zanzibar.**

CONDITIONS OF TRAVEL:

The purchase of your travel booking constitutes a contractual agreement between the traveler(s), customer(s), and/or purchaser(s) (collectively as "**You**" and "**Traveler**"), and Classic Escapes ("**Classic Escapes**", "**We**", "**Us**") pursuant to the following terms and conditions ("**Terms**", "**Agreement**");

REGISTRATION & PAYMENTS

HOW TO BOOK: Fill out and sign the enclosed reservation form and send it, along with the relevant deposit as shown below, to CLASSIC ESCAPES, 191 W Poplar Street, Floral Park, NY 11001. Upon receipt of your signed reservation form and deposit, we will, subject to availability, reserve your spot on the tour. You may consider your booking confirmed when you receive a confirmation notice and invoice from us

DEPOSIT AND FINAL PAYMENT: You will be required to pay the following per person deposits when booking. Those amounts are:

- \$2,200 for the main trip
- \$500 for the extension to Zanzibar

All deposits are subject to the Cancellation policy herein. Final payment is required no less than 95 days prior to departure (November 6, 2023) unless otherwise stated. Some fares or services must be paid in full at the time of booking. Deposits may be paid by check, wire transfer or credit card (American Express, Visa, MasterCard, or Discover). Final payment is payable by check, wire transfer, or money order ONLY. Conditioned on receipt of final payment in full, all final documents and air tickets will be sent to you approximately two weeks prior to departure.

CREDIT CARD TRANSACTIONS: If for any reason, any travel service provider is unable to provide the services for which you have contracted, your remedy lies against the provider, and not against Classic Escapes, and in the event that payment has been made to Classic Escapes by credit card, you agree that you will not seek to chargeback your payment to Classic Escapes. If the credit card is passed through to the travel service provider and you seek to chargeback your payment from the provider, you agree to be held liable and indemnify Classic Escapes against this chargeback from the provider, including without limitation any air debit memos charged to Classic Escapes. If the credit card is declined, you guarantee that you will settle any amounts owing to Classic Escapes via money order or cash immediately. Except in cases of fraud, you agree not to file any dispute with your bank or credit card company to avoid or violate any booking terms and conditions of Classic Escapes or its suppliers, including cancellations or changes of itinerary or arrangements for reasons beyond the control of Classic Escapes or its suppliers. If you attempt to chargeback, reverse or recollect a previously authorized trip payment, Classic Escapes reserves the right to collect all additional costs, fees and expenses associated with such chargeback, reversal or recollection, including, without limitation, attorney fees.

IMPORTANT CONDITIONS: Prices are subject to increase prior to the time you make full payment. Prices are not subject to increase after you make full payment, except for charges resulting from increases in government-imposed taxes or fees. By signing the reservation form, you expressly acknowledge your acceptance of these conditions (i.e., increases before full payment and increases attributable to government-imposed taxes or fees after full payment will be your responsibility) applicable to your purchase.

RATES: Rates are based on the minimum number of guests outlined in this document, plus airfare costs, currency exchange rates and other factors and are subject to change. Though it is rare for Classic Escapes to make a price adjustment after promotion of an itinerary, we do reserve the right to assess a surcharge if the minimum is not met, or if increases are forced upon us by airlines or other partners or because of changes in currency exchange rates.

ADDITIONAL FEES: Additional taxes and surcharges that cannot be pre-collected may be charged locally. Cost of passport and visa fees and service charges for obtaining visa fees; excess baggage charges levied by airlines; laundry and other items of personal nature; optional travel insurance policy(s); or any other costs incurred that cannot be pre-collected are NOT included and are the sole responsibility of the Traveler.

SINGLE SUPPLEMENT: The quoted rate is valid for the first two single rooms booked and on a first-come, first-served basis. If more than two single rooms are needed, an additional supplement may apply. Single accommodations are not guaranteed but will be provided at additional cost if available (see your "Journey at a Glance section" for cost.) The single room supplement pays for privacy, not better accommodations. For passengers who are traveling alone and wish to share a room with another tour member, we will do our best to provide a roommate. However, if this is not possible, you will be required to pay the single room supplement prior to your departure from the USA.

GRATUITIES, ENTRANCE FEES & TAXES: Gratuities for baggage handling, service charges and taxes imposed by hotels, and entrance fees to all points of interest as outlined in the itinerary are included in the final cost. U.S. and foreign airport taxes are included in air costs. Tips to drivers and specialist guide(s) are **not included** and are the sole responsibility of the Traveler.

CANCELLATIONS, DEVIATIONS & CHANGES

TRAVEL INSURANCE: We recommend travel insurance. Travel insurance can provide financial reimbursement should the unexpected occur.

CANCELLATION: Please be aware that most travel bookings are non-refundable and cancelled bookings will incur charges. These charges can be up to 100% of the cost of the booking, regardless of whether travel has commenced. Where we incur any liability for a cancellation fee or charge for any booking that you cancel, you agree to indemnify us for the amount of that fee or charge. Cancellations are only effective upon receipt of written notification. The following per-person fees are applicable; however, depending on the specific itinerary or other factors, we may require a non-refundable deposit:

- Up to 6 months prior to departure (August 13, 2023), \$300 per person administrative fee.
- 179 days to 96 days prior to departure (August 14, 2023, to November 5, 2023), \$300 per person administrative fee, plus \$500 non-refundable deposits given to suppliers.
- 95 days to 76 days prior to departure (November 6, 2023, to November 25, 2023), deposit is forfeited.
- 75 days to 60 days prior to departure (November 26, 2023, to December 11, 2023), 50% refund is possible.
- 59 days or less prior to departure (December 12, 2023), no refund is possible.

These cancellation fees are also in addition to any fees imposed by airlines.

REFUNDS: While Classic Escapes uses its best endeavors to ensure that all anticipated accommodation is available as planned, there is no claim of any nature whatsoever against Classic Escapes for a refund, in whole or in part, if any accommodation or excursion is unavailable and a reasonable alternative is not found, or if the Traveler is unable to use any service provided in the itinerary.

CHANGES: Once your tour is reserved, changes to the itinerary are possible subject to the availability of air or land space at the time of your request. Should there be any change fees imposed by any airlines or ground operators, or additional costs incurred due to the availability of any space, these costs will be invoiced to you and you will be responsible for payment thereof.

SPECIAL ARRANGEMENTS: Should you wish to make additional travel plans, including specially arranged pre- or post-tour extensions different than those offered in conjunction with your tour, a service charge of \$150 per person (over and above the cost of the services required) will be assessed.

DOCUMENTS

PASSPORTS: All individuals departing from the United States of America must be in possession of a valid passport. Please check that your passport is valid for at least 6 months beyond your intended return date. It is your responsibility to ensure that you have valid travel documentation, including but not limited to passports and visas, which meet the requirements of immigration and other government authorities at every destination. You are responsible for confirming with the United States Department of State or the representative government agency of the country to which you are traveling to confirm the requirements for visas and/or other requirements for admission to your destination. Any fines, penalties, payments, or expenditures incurred as a result of such documents not meeting the requirements of those authorities will be your sole responsibility.

REAL ID: Beginning October 1, 2021, if you plan to use your state-issued ID or license to fly within the U.S., it is your responsibility to make sure it is REAL ID compliant. If you are not sure if your ID complies, please check with your local state Department of Motor Vehicles or visit www.tsa.gov/real-id.

TRAVEL DOCUMENTS: It is the responsibility of each Traveler to obtain and carry a valid passport, visa(s), and all other documents required by applicable government regulations. When traveling domestically or internationally, the U.S. Transportation Security Administration (TSA) and U.S. Department of Homeland Security (DHS) advise that everyone carry acceptable identification in order to board a flight. Acceptable identification can be found at <http://www.tsa.gov/traveler-information/acceptable-ids>. The name, date of birth and gender that appears on the identification card must exactly match the same such data that is listed on airline ticket(s) and booking records. You acknowledge any failure to strictly comply with these requirements may result in denied boarding or an undue delay at an airport security checkpoint causing the Traveler to miss flight(s), and subsequent scheduled travel bookings on cruises and tours.

Travel documents include, without limitation, airline tickets, hotel vouchers, tour vouchers, or any other document (whether in electronic form or otherwise) used to confirm an arrangement with a service provider. Travel documents may be subject to certain conditions and/or restrictions such as, but not limited to, being non-refundable, non-date-changeable, and subject to cancellation and/or amendment fees. Travel documents cannot be transferred to another person to use. All airline tickets must be issued in the name of the passport/photo identity holder. An incorrect name on a booking may result in an inability to use that booking and the booking being cancelled. Any errors in names, dates, and timings may result in an inability to use that booking and the booking being cancelled. Any errors in names, dates, and timings on your documentation will be your responsibility if we are not advised at the time of booking. Please reconfirm your flights at least 24 hours prior to departure.

PRE-DEPARTURE INFORMATION: Upon receipt of your registration and deposit, we will send you an electronic pre-departure packet containing all the information you need to prepare for your tour, including the complete itinerary, packing checklist, required documents, insurance information, etc.

FINAL DOCUMENTS: Electronic final documents and air e-tickets will be sent to you approximately two weeks prior to departure, provided all monies have been paid in full.

TRANSPORTATION

AIR TRANSPORTATION: Your program does not include international airfare. If you require assistance, contact Classic Escapes.

FREQUENT FLYER MILEAGE: Check on the airline's website to enquire who their partners are. Obtain frequent flyer mileage on any of these carriers. Present your frequent flyer card for all flight check-ins and keep the boarding passes until you receive a statement with the mileage credit.

TRANSFERS: Roundtrip airport transfers are included in the tour for guests arriving on group flights. If travelers make their own air arrangements, they will be subject to extra transfer fees.

FLIGHT CONFIRMATION: We strongly suggest that you reconfirm exact flight times with the carrier prior to departure. Air travelers are required to check in at least 2 hours prior to departure time for domestic flights and 3 hours for international flights and must report to the gate at least 30 minutes prior to departure time. Failure to comply may result in the loss of the seat to another passenger.

HAZARDOUS MATERIALS: Federal law prohibits passengers from carrying hazardous materials on the aircraft. Federal law forbids the carriage of hazardous materials aboard aircraft in the passenger's luggage or on the passenger's person. A violation can result in five years of imprisonment and penalties of \$250,000 or more (49 U.S.C. 5124). Hazardous materials include explosives, compressed gases, flammable liquids and solids, oxidizers, poisons, corrosives, and radioactive materials. Examples: Paints, lighter fluid, fireworks, tear gases, oxygen bottles, and radiopharmaceuticals. There are special exceptions for small quantities (up to 70 ounces total) of medicinal and toilet articles carried in the passenger's luggage and certain smoking materials carried on the passenger's person. For further information, each passenger should contact the relevant airline representative(s) on their itinerary. Restrictions on hazardous materials are listed <http://www.tsa.gov/traveler-information/prohibited-items>.

INSECTICIDE NOTICE: Some countries require insecticide spraying of aircraft prior to a flight or while you are on the aircraft. We recommend that you refer to the Department of Transportation's list of airports in countries that require airlines to treat the passenger cabin with insecticides prior to the flight or while on the aircraft available at <https://www.dot.gov/office-policy/aviation-policy/aircraft-disinsection-requirements>.

BAGGAGE & FEES: Additional fees for baggage may apply. Please contact your airline or refer to its website for detailed information regarding its checked baggage policies. On average, international flights from the USA allow one piece of checked luggage, not exceeding 50 pounds, plus a carry-on piece not exceeding 15 pounds; however, we always recommend that you check your airline's policy just before departure, as luggage limitations are always subject to change. There may also be luggage and weight restrictions for your destination and that information will be forwarded to you with your pre-departure material and also listed on your final documents.

AIRLINE CLAUSE: The airlines concerned are not to be held liable for any act, omission, or event during the time the passengers are not on board their planes or conveyance. The passengers' tickets in use by the airline or by other carriers concerned when issued shall constitute the sole contract between the airlines and the purchaser of these tickets and/or passengers.

DELAYS: We cannot be held liable for any delays or additional costs incurred as a result of airlines not running to schedule. Any additional land or air fees imposed on account of airline delays will be borne by the traveler.

Classic Escapes is not responsible for providing you with this information. Travel carriers and local authorities at travel destinations may require specific testing prior to boarding and/or upon arrival at your destination, including, but not limited to, a temperature check as a result of the COVID-19 pandemic. You may be denied entry onto your carrier and/or entry upon arrival at your destination or be required to self-quarantine at your destination and upon your return to the United States. You must comply with local government regulations. Any additional costs are your responsibility. Check the State Department Web site <http://travel.state.gov>, for relevant information relating to travel to specific destinations, and the Center for Disease Control <http://wwwnc.cdc.gov/travel/> relating to health issues related to travel.
