## Water is LIFE

Savanna Gallery at the Phoenix Zoo

October 3, 2024 – February 23, 2025

In Arizona, the need for water is complicated and complex. Through original artwork and photography, this exhibit in the Phoenix Zoo's Savanna Gallery celebrates this essential component's broad impact on Arizona wildlife, plants and people. Too much or too little water can have dramatic consequences, and how we use and respect water is vital to our ecosystem.
