

# CAN YOU HELP DORA ON HER ADVENTURE?

Use the clues below to find hidden animal facts  
throughout the zoo.

I'm a bird that  
nests in a hollow  
tree. I stay  
there until my  
eggs hatch.

I have stripes  
and sharp claws.  
I live where it's  
warm with lots of  
trees. I'm the  
smallest kind  
of tiger.

My legs look like  
they bend  
backward, but  
that's just  
my ankle!

I can live  
over 100  
years—longer than  
almost any other  
animal with a  
backbone!

I'm the biggest  
mammal that lives  
in trees and I swing  
through the  
rainforest.

I live in the  
Amazon and when  
I'm scared, I let out  
a milky goo to  
protect myself.
